

BIRLA PUBLIC SCHOOL GANGANAGAR

(A UNIT OF BIRLA EDUCATION TRUST PILANI)

CBSE AFFILIATION NO. 1730974

Session: 2023-24 EVENT REPORT

Day: Friday
Date: 27th October 2023
No. of Participants: 72

Class- IV (All)
Subject- Computer

Event Name: SPECTRUM

Objective of the Event:

- The primary objective of the event was to foster creativity among Class students.
- The event aimed to enhance students' technological proficiency by familiarizing them with an online art creation tool. Through hands-on experience, students developed basic digital skills, such as navigating online platforms, selecting images, and utilizing digital editing features.
- To boosting confidence and self-expression of students towards the use of computer system.

Event Activities:

- **Introduction to Collage Making:** The event started with an introduction to the art of collage making, explaining the basic concepts and techniques involved in creating visually cohesive collages.
- **Demo of Online Platform:** A live demonstration of the online collage making website was given. Students were guided through the features and tools available on the platform, emphasizing its user-friendly interface.
- **Hands-On Collage Creation:** Students were given the opportunity to create their own collages. They explored various themes, colors, and images to design unique and imaginative collages.
- **Creativity Showcase:** Towards the end of the event, students proudly showcased their creations, explaining the inspiration behind their collages and the elements they used.

Brief note about event:

BPSG always thrives on catering the all-round development of their students with the improved performance of students in the field of design and creative skills through designing computer-related activities that serve educational, cognitive, and recreational purposes, contributing to a better understanding and use of computers and technology.

With this intention, an event titled 'Spectrum' was organised for the students of Class IV on Friday, 27th October 2023 in which students had the opportunity to express their creativity and harness their future-ready skills to create collage making for different event.

The event held successful in accomplishing the ultimate goal of equipping students with creative skills, to enhance knowledge required to meet the future challenges.

Outcome of Activity:

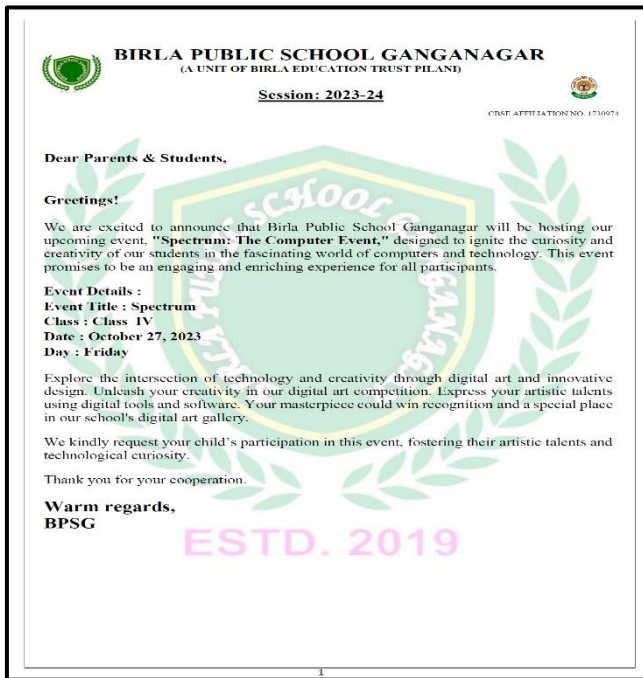

- Students demonstrated enhanced creativity by blending different images and elements to create visually appealing collages.
- The event provided students with a foundational understanding of digital tools for artistic expression, opening doors to further exploration in the digital art realm.
- Through hands-on participation and positive feedback, students gained confidence in their artistic abilities, encouraging them to further explore their creative talents.
