Young Learners share a remarkable variety of personal experiences, values and ways of understanding. The language they learn in the classroom is the tool they use to shape their thoughts and feelings. It is more than a way of exchanging information and extending ideas, it is their means of reaching out and connecting with other people. Stories can link not only between the world of classroom and home but also between the classroom and beyond. Keeping this in mind BPSG always thrives to cater to the all-round development of their students. The main focus of the school has always been on improving the language skills and soft skills amongst the students. Therefore, an event titled ‘ Tang Your Story’ was organized for the students of Class IV C on Tuesday, 10th October, 2023. The event aimed to create a dynamic and educational experience for the students.

**Dear Parents & Students, Greetings!**

We are pleased to announce an enriching and creative event, "Tang Your Story," organized by the English Department of Birla Public School Ganganagar for the students of grade IV. This event aims to enhance the imaginative and storytelling skills of our young learners.

**Event Details:**

- Event Name: Tang Your Story
- Date & Day: October 10, 2023, Tuesday

In the event, students will have the opportunity to explore their storytelling abilities in a fun and interactive way. They will be presented with different situations, beginnings, and clues, which they will use as inspiration to create their very own stories. Additionally, students may be given pictures as prompts to spark their creativity.

The event is designed to encourage students to think critically, use their imagination, and craft narratives that reflect their unique perspectives and creativity.

We kindly request our parents support in ensuring that their child is well-prepared for this event. Encourage them to practice their storytelling skills at home by discussing various scenarios and asking them to come up with creative stories.

This event is an excellent opportunity for our students to showcase their storytelling talents, and we believe it will be a memorable and enriching experience for them.

We look forward to witnessing the creativity and imagination of our young storytellers during the event.

**Best regards**
