EVENT – IMAGINARY DRAWING

"Step into the magical world of imagination, where colors dance and shapes come to life!"

A child's imagination is a wondrous realm, where reality and fantasy dance together in delightful harmony. It's a magical space where the ordinary transforms into the extraordinary, and every corner is filled with endless possibilities. Imagination allows children to experience the world with a sense of wonder that transcends age. Even the simplest things, like a butterfly or a rainbow, can evoke awe and amazement.

For a delightful journey into the world of imagination, BPSG is coming up with an event **'Imaginary drawing' on 29 January 2024 (Monday)**

HIGHLIGHTS OF THE EVENT
