

Session: 2023-24

Report on Annual Parents Sports Meet

“Passion first and everything will Fall into place”.

Birla Public School Gangaganagar organized a Parent-Teacher Meeting (PTM) coupled with an invigorating FIT INDIA WEEK, culminating in an engaging one day Games Tournament for school parents on the 24th of November 2023 (Friday).

The action-packed day commenced at 9:00 am with a spirited Games Tournament, showcasing a variety of sports including basketball, football, handball, volleyball and cricket. Parents enthusiastically participated, displaying not only their athletic prowess but also fostering a sense of camaraderie within the school community. The event provided a unique opportunity for parents to actively engage in physical activities, promoting a healthy and active lifestyle. The games continued until 10:30 am, filled with moments of competition, sportsmanship and sheer enjoyment. The atmosphere resonated with cheers and encouragement, creating a vibrant and energetic ambiance on the school grounds.

Following the Games Tournament, the focus shifted to the PTM from 10:45 am to 12:00 noon. This crucial segment allowed parents to connect with teachers, discuss their child's academic progress and gain insights into their overall development. It served as a platform for open communication, fostering a collaborative environment between teachers and parents. BPSG not only encouraged physical fitness but also emphasized the significance of a healthy school-parent partnership.
