**Dear Students and Parents,  
Greetings!**

To maintain a focused and inclusive learning environment, the school has established the following guidelines:

**Important Directive:**

- 1. No Cakes:** Students are strictly prohibited from bringing cakes or any celebratory food items for teachers' and any of their classmates' birthdays.
- 2. No Requests:** Teachers are kindly requested not to ask students to bring cakes or any gifts for their birthdays.

**This policy aims to:**

- Promote simplicity and equality among students and teachers
- Minimize disruptions to the academic schedule
- Foster a distraction-free learning environment

These guidelines are effective immediately and apply to all school premises.
