“I hear and I forget. I see and I remember. I do and I understand. The idea of educational tours is built around the practice of experiential learning.”

Dear Parents,

Online technologies have removed the barriers of time, cost and location from the learning activities and experiences available to students. Virtual field trips allow learners to engage with and to learn about authentic artifacts and to explore places important to their discipline of study and consistent with their individual learning needs. Keeping the same into consideration, English Department of BPSG is going to organise an event to enhance the decision-making ability in students on 14 September, 2021- Tuesday at 12:20-12:55 PM.

For class: III

Event: “MY VIRTUAL TOUR”

Topics and their examples for the reference of the event are as follows –

1. My Green Garden
2. Farm House
3. Home-Sweet Home
4. Play zone-Water Park
5. Memories to be Cherish
6. Fun with animals-Zoo

Students can choose any of the given topic and need to explain the same with the help of presentation (slides).

Also they need to make video of their Virtual Tour and send before 10th September, 2021 in the MS Teams-English Channel.

Rubrics for Assessment: Students will be assessed on the following parameters:

Innovation	Concept Clarity	Speaking Skills	Presentation
------------	-----------------	-----------------	--------------

Note:

- Students need to create and represent any of the above topic in an innovative way during the Event.
- Participation is compulsory for all.

Regards,
BPSG
