CLASS- III-A ASSEMBLY

Theme – “Patience With Perseverance”

**“In Patience, We Find Strength. In Perseverance, We Find Success.”**

*When you combine patience with perseverance, you have a powerful mindset that can help you navigate through life's challenges and achieve your long-term goals. It means being patient while maintaining your determination and unwavering focus on your objectives, understanding that success often requires time and persistence. To imbibe the same awareness among children, BPSG is coming up with an assembly named “Patience with Perseverance” on 23<sup>rd</sup> November, 2023 (Thursday). Through this assembly, we hope to foster an environment where students can learn from each other, find motivation, and inspire each other in their personal growth.*
