Dear Parents

Indulgement of a child in various activities during his early years is the utmost essential thing. Providing them such platforms is what BPSG is focusing on where a child can explore and live his early years with all the integral learning. For our little munchkins, we have organised an event from which they can learn healthy habits and widen up their horizons of mind.

Learning with fun is what we aim at and BPSG will turn no stone unturned in the learning and to stay connected with their children.

Below mentioned are some attractions/activities:

1. My Healthy buddies

Select your favourite fruits and get your bowl ready. You need to speak one or two lines of your favourite fruit.

2. Dress Me like a fruit

Select any of your favourite fruit. You need to make dress of that fruit with crafty paper and show your walk where you will be speaking one line about that fruit.

3. Happy Dancing

You can prepare dance on fruit song and showcase your talent.

4. My Fruits in shape

Select any shape like circle or rectangle. Cut your fruit in the shape of your choice and decorate it in your plate.

You can showcase your talent by participating in any one of the activities as per your interest during the online class on 19th July, 2021 (Monday). Kindly send your videos by 15th July, 2021 by 12 noon in the general channel of MS Teams. Videos should not be of more than 1 minute. We will appreciate if the presentation is in English.
We wish you a good luck!

Regards

BPSG
