Event – Curtain Call (Story Enactment)

Dear Parents

Stories plays an integral part in the lives of kindergarten. Organising such activities which enlighten and encourage them to develop imaginary skills is the main motive of BPSG. This time again BPSG is coming up with an initiative where children can explore about their fictional skills to the fullest. Learning with fun is what the main motive of ours and to continue the chain for our little kids, following are the attractions or the activities in which a child can participate and enhance learning skills.

Below mentioned is the elaboration of themes how our little champion can take part in this event:-

- 1. My Situational story – You can make up a story based on your real experience like your trip and any party and make presentation and show the same.**

- 2. Story that is always in my head – You can choose your favourite story and you can make crafty dress of that and tell your story. It can be your fairy, animal whatsoever is your favourite, you can select and perform on the same.**

- 3. Forge a story:- You can forge a story which means you can choose any story which is not true and you have to make others feel that your story is actually true and they listen you with deep interest. You need to prepare any puppet of paper or crafty dress for the same.**

You can showcase your talent by participating in any one of the activity as per your interest during the online class on 10th September, 2021 (Friday). Please send your videos by 9th September, 2021 by 12 noon in the general channel of MS Teams. Videos should not be of more than 1 minute. We will appreciate if the presentation is in English.

We wish you a good luck!

Regards
BPSG
