*"The Earth is what we all have in common."*

*Eco Day*

*Class VI Social Science Event - "Eco Day"*

Dear Students and Parents,  
Greetings!

Our environment is the foundation of life, and it is our responsibility to protect and preserve it for future generations. In this spirit, *Eco Day* is being organized to instill environmental awareness and inspire sustainable practices among young minds. This exciting event will offer students opportunities to explore, express, and engage in meaningful ways to understand the importance of ecological balance.

### Activity Details:

- **Event Name:** Eco Day
- **Day & Date:** Thursday, 17th July 2025
- **Class:** VI
- **Venue:** Classroom (Subject Period)

### Objectives:

- **Environmental Awareness:** Understand key environmental issues like pollution, conservation, and climate change.
- **Sustainability Education:** Learn about sustainable practices and how small changes can make a big impact.
- **Civic Responsibility:** Encourage students to become environmentally responsible citizens.

### Activities of the Day:

- **Slogan Writing Competition:** Students will create impactful slogans to spread awareness about environmental protection.
- **Eco Model Display:** Present creative models made from eco-friendly/recycled materials showing solutions to environmental problems.

### Why You Should Participate:

- **Knowledge Enhancement:** Learn about environmental issues and solutions in a fun and interactive way.
- **Hands-On Learning:** Experience the joy of learning by doing, through eco-crafts and plantation activities.

We encourage all Class VI students to participate wholeheartedly in this green initiative. Let's come together to celebrate the Earth and contribute to a better, cleaner, and greener tomorrow!

**Let's grow greener together!**

Thank you.

With warm regards,

**BPSG**
