

## Session: 2023-24 Report on Deepawali Celebration

The Birla Public School Ganganagar campus was adorned with vibrant colours and an atmosphere of excitement on November 8, 2023, as the school celebrated Deepawali, the festival of lights, with a plethora of activities and events. This auspicious occasion was not only a celebration of tradition but also a platform for students to showcase their talents and engage in meaningful activities. The day commenced with a noble initiative, a tree plantation drive, emphasizing the importance of environmental conservation among the students.

The school organized a series of talent shows, including a Science Show, Yoga Show, Karate Show, and Zumba Show, where students demonstrated their skills and enthusiasm in various fields. The performances were met with applause and appreciation from the audience. Students exhibited their artistic flair in activities such as Kavita Paath (poetry recitation) and Art and Craft sessions. The campus came alive with the creativity of the students as they engaged in lantern and card making, diya and candle decoration and other artistic endeavors.

The classrooms were transformed into vibrant spaces with creative and innovative decorations, reflecting the festive spirit of Deepawali. Each class put forth their best efforts, resulting in beautifully decorated classrooms that added to the festive ambiance.

The day was made even more special with a delightful potluck lunch, where students and teachers shared a delicious variety of homemade dishes. This communal meal fostered a sense of unity and togetherness among the BPSG family.

In the spirit of giving, the school organized a donation drive for the needy. Students from classes 1 and 2 enthusiastically contributed warm clothes, blankets and shawls, emphasizing the importance of empathy and kindness towards the less fortunate. The event not only celebrated the cultural heritage of Deepawali but also instilled valuable lessons of compassion, creativity and environmental responsibility among the students.
