### **Methodology:**

- Comprehending the text, including its characters, plot, and emotions, which is essential for effective delivery.
- Memorizing the monologue, allowing them to perform confidently without needing to read from a script.
- Expressing the character's emotions and thoughts clearly, using facial expressions, gestures, and body language.
- Performing the monologue with confidence, engaging the audience and maintaining good eye contact.
- Speaking clearly and with correct pronunciation to ensure the audience can follow the monologue.
- Being open to feedback and use it to improve their performance and understanding of the character.

### **Brief note about activity:**

BPSG always thrives to cater to the all-round development of their students. The main focus of conducting dramatic monologues in school is to develop students' communication and performance skills. Through this theatrical exercise, students can improve their ability to communicate clearly and effectively, honing skills such as pronunciation, articulation, and emotional expression. Additionally, dramatic monologues help build confidence in public speaking and acting, nurturing a sense of self-assuredness that can extend to various areas of their lives. Overall, the main objective is to empower students with essential communication, self-expression, and performance abilities while enriching their literary and character comprehension. With this intention in mind an event titled DRAMATIC LOQUE was organised for the students of Class V on Wednesday, 18th October, 2023.

### **Outcome of Activity:**

- By achieving these objectives, class 5 students can effectively participate in and benefit from dramatic monologue activities, developing essential communication and acting skills.
- It provides a deeper understanding of the character delivering the monologue, including their emotions, motivations, and personality.
- A well-performed monologue can evoke strong emotional responses from the audience, such as empathy, sympathy, or understanding of the character's feelings.
