

Session: 2023-24
EVENT REPORT

Day: Monday
Date: 30th October 2023
No. of Participants: 52

Class- V (All)
Subject- Computer

Event Name: Presentors

Objective of the Activity:

- The event introduces students to the concept of lifelong learning in the ever-evolving realm of digital media. By delving into the latest trends and techniques in multimedia presentations, students will develop a curiosity for continuous learning.
- To gain understanding of the technology of Presentation Software.
- To give exposure and equip students with the different techniques of creation the Presentations technology.

Methodology:

- Students will create a presentation using Microsoft PowerPoint.
- Students have to create 5 slides with different elements of Microsoft PowerPoint.
- The participants will not be allowed to open books or anything else for any kind of reference.

Brief note about event:

BPSG always thrives on catering the all-round development of their students with the improved performance of students in the field of design and creative skills through designing computer-related activities that serve educational, cognitive, and recreational purposes, contributing to a better understanding and use of computers and technology.

In the sequence of continuation, we organise an event named “Presentors” for deep understanding of the core knowledge of presentation media.

Outcome of Activity:

- Students successfully enhanced their presentation skills and gained experience in presentation software.
- Students increased their technological skills as the event focused on presentation software.
- Active engagement and positive reinforcement during the event bolstered students' confidence in their presentation creation skills.

Dear Parents & Students,

Greetings!

We are excited to announce that Birla Public School Ganganagar will be hosting our upcoming event, "Presentors: The Computer Event," designed to ignite the curiosity and creativity of our students in the fascinating world of computers and technology. This event promises to be an engaging and enriching experience for all participants.

Event Details :
Event Title : Presentors
Class : Class V
Date : October 30, 2023
Day : Monday

Presentors: The computer event, where every keystroke sparks excitement and every pixel is a canvas for your imagination. We're not just exploring the ins and outs of computers; we're embarking on a quest to unlock the wonders of technology. It's not just about buttons and screens; it's about discovering the infinite possibilities that computers offer. So, get ready to explore — because in the world of computers, the only limit is your imagination! Let's embark on this digital journey together and make some unforgettable memories.

We kindly request your child's participation in this event, fostering their artistic talents and technological curiosity.

Thank you for your cooperation.

ESTD. 2019

Warm regards,
BPSG
