### **Workshop: Understanding Boundaries- Safe and Unsafe Touch**

#### **Class- II**

Dear Parents/Students

Greetings!

"Safety, in its widest sense, concerns the happiness, contentment and freedom of mankind." The safe and unsafe touch workshop is an effective and engaging way to teach young children about body safety and help them develop the skills. BPSG is organizing a workshop which focuses on cultivating knowledge and teaching children how to keep their bodies safe, recognizing the difference between safe and not-safe touches.
