"Scratch – Match: The Computer Event," where creativity meets coding and innovation knows no bounds! Prepare yourselves for a thrilling day of digital wonders as we dive into the exciting world of Scratch programming. This event is not just about learning to code; it's about unleashing your imagination and bringing your ideas to life. Through interactive workshops, fun challenges, and collaborative projects, you'll have the opportunity to create your own interactive stories, games, and animations. Whether you're a beginner taking your first steps into the coding universe or an experienced coder ready to tackle advanced challenges, there's something for everyone.

Get ready to match your wits, skills, and creativity in our Scratch coding challenges. Join us for 'Scratch – Match,' where every code you write, every game you design, and every animation you create is a step towards becoming a coding champion! Let the coding games begin!"

We kindly request your child's participation in this event, fostering their artistic talents and technological curiosity.

Thank you for your cooperation.

**Warm regards,
BPSG**
