“We make a living by what we get. We make a life by what we give.”

We are blessed with everything and time to time abandon the clothes which have outgrown and buy new trendiest apparel, while for some unfortunate ones, it is the time of worry, for they do not have even the minimum clothing to protect themselves from the cold or even severe health threats.

Since **we are blessed** with a privileged life, we are initiating a **‘Donation Drive’** which aims to aid the underprivileged sections of the society by providing them the adequate clothing/toys/cereals/stationery/grocery/ etc to show that humanity exists and our teachers, children, and parents do care for the society. We invite you to willingly join hands for this noble cause!

If you wish to contribute, please send any of the following old/new/used/unused items which are usable and in good condition to the respective Class Teacher latest by 04-11-23 i.e. Saturday.

You are requested to pack it nicely in transparent bags before sending.

This is an optional activity and hence, make sure that whatever you are giving away is usable for someone.

“Let’s remember giving is not just about donating; it is about making a difference.”

Looking forward to creating a better world for the deprived group of our society.

Thank you for your cooperation.

With Best Regards
