### REPORT

Event – “Best Out Of Waste”

Day/Date – Wednesday, 08.05.24

Classes – III – XII

The Art Club organized a captivating event, "Best Out of Waste," showcasing students' creativity and eco-consciousness. Participants ingeniously repurposed everyday items into remarkable artworks. Paper bags were transformed into intricate designs, flower pots were crafted from blue bottles, and stunning paintings emerged from humble ice cream sticks. Additionally, crafts made from discarded pencils amazed viewers with their ingenuity. This event not only celebrated artistic talent but also promoted sustainability and resourcefulness among the student body, inspiring a deeper appreciation for the potential of everyday objects.

### OBJECTIVE:-

The “Best Out of Waste” event aims to foster environmental consciousness, creativity, and innovation among our students. Participants will transform everyday waste materials into artistic and functional creations.
