"Stories are the creative conversion of life itself into a more powerful, clearer, more meaningful experience. They are the currency of human contact."
 — Robert McKee

Dear Parents & Students, Greetings!

We are pleased to announce an enriching and creative event, "Tang Your Story," organized by the English Department of Birla Public School Ganganagar for the students of grade IV. This event aims to enhance the imaginative and storytelling skills of our young learners.

Event Details:

- Event Name: Tang Your Story
- Date & Day: October 10, 2023; Tuesday

In the event, students will have the opportunity to explore their storytelling abilities in a fun and interactive way. They will be presented with different situations, beginnings, and clues, which they will use as inspiration to create their very own stories. Additionally, students may be given pictures as prompts to spark their creativity.

The event is designed to encourage students to think critically, use their imagination, and craft narratives that reflect their unique perspectives and creativity.

We kindly request our parents support in ensuring that their child is well-prepared for this event. Encourage them to practice their storytelling skills at home by discussing various scenarios and asking them to come up with creative stories.

This event is an excellent opportunity for our students to showcase their storytelling talents, and we believe it will be a memorable and enriching experience for them.

We look forward to witnessing the creativity and imagination of our young storytellers during the event.

Best regards
BPSG
