### "FUN WITH ENVIRONMENTAL SCIENCE"

Dear Students,

*"Learning and engaging hands can be super fun in environmental science."*

*Environmental Science has a great impact on each of us, whether we're passionate about it or not. We all know how importance it is to foster the love of environmental studies and it is all around us. So, to do something new and useful, to encourage awareness of Fun Science, BPSG is organizing an EVS event on 17<sup>th</sup> August 2021 (Tuesday) for Classes III. Here are some environmental science activities that you can do at home with the resources right in front of you. Doing this you can feel that science is not only easy but it can also be fun and exciting!*

*Topics of the event are as follows –*

#### Class III –

- Surface tension
- Filtration process
- Soluble insoluble
- Sink and Flot
- Acid and base
- Atmospheric pressure

#### Rubrics for Assessment

- Presentation
- Verbal expression
- Creativity
- Explanation

#### Note:

- Besides these given topics, students can choose any topic of own
- Students will show their small experiments and will also speak for the same.
- Students need to create and represent experiments on any of the above topic and need to represent it after discussing its procedure and importance.
- Participation is compulsory for all.

**STAY SAFE, HAPPY & HEALTHY !**

Regards,  
BPSG
