Theme—"Beauty is in the eyes of beholder"

"Beauty is not in the face; beauty is a light in the heart."

"Beauty is in the eye of the beholder" is a timeless and widely accepted proverb that reminds us of the subjectivity of beauty. It suggests that what one person finds beautiful, another may not. Beauty is a deeply personal and often culturally influenced perception, which can encompass physical appearance, character, talents, or even the appreciation of nature and art. BPSG presents a class assembly that highlights the richness of our world, where every person and thing can be seen through a unique lens, making beauty a multifaceted and ever-evolving concept. To imbibe the same awareness among children, BPSG is coming up with an assembly named "Beauty is in the eyes of beholder" on 26th October, 2023 (Thursday). Through this assembly, we hope to foster an environment where students can learn from each other, find motivation, and inspire each other in their personal fitness journeys.
