Session 2023-24

## Graphic And Design Club Event: E-THINKER

Day & Date-19-07-2023 (Wednesday)

Event Name: E-Thinker

Category: General

### Objective of the Activity:

- Promote graphic and design thinking: The event aimed to foster a culture of creative problem-solving and design thinking among participants.
- Knowledge sharing: Participants were encouraged to share their experiences and methodology in the graphic and design field.
- Collaboration: The event provided a platform for participants to collaborate on design projects, network, and build meaningful connections.
- Skill development: This event was organized to enhance participants' technical skills and expand their knowledge in graphic and design-related areas.

**Total no. of Students: 38**

**No. of Participants: 36**

### **Brief note about Activity:**

**The E-Thinker :** Graphic and Design Club organized an engaging and informative event focused on promoting creativity, innovation, and design thinking. The event aimed to bring together graphic and design enthusiast students to explore current trends, share insights, and collaborate on creative projects like making posters, videos, documentary and PowerPoint Presentation. This report provides an overview of the event, including its objectives, activities, and outcomes.

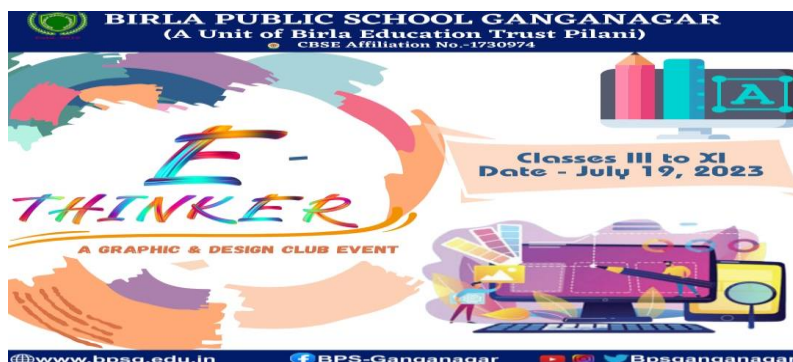

### **Outcome of Activity:**

- Enhanced knowledge and skills: Participants acquired new techniques, improved their design skills, and gained a deeper understanding of current trends and best practices in the graphic and design industry.
- Increased collaboration: The event provided a platform for participants to collaborate on projects, share ideas, and develop a sense of camaraderie within the design community.
- Portfolio improvement: Participants received valuable feedback on their portfolios, enabling them to refine their work and present themselves more effectively in this field.

### Graphics and Design Club Event

#### Event: E-Thinker

"Design Speaks Better Than Words. Create, Customize, Collaborate, Compile"

Dear Parents,  
Greetings of the day!

In 21st century, technology plays a huge role in all facets of life. We always turn to computers to access information, create, express, communicate and collaborate to track the achievement of our learning. To inculcate the skills of computer in our students the IT department of BPSG is organizing an event named: **E-Thinker** on July 19, 2023.

**Objective:** To enhance the IT skills with specialization in graphics and designing skills of students. The students will showcase their project work & ultimately contribute in the designing work of BPSG.

**Activity to be performed:** On the spot topic will be given to the students and they have to create a project on any one of the below mentioned skill/item: -

- ❖ E-Poster Making
- ❖ Video Making
- ❖ Short Documentary
- ❖ E-Magazine or Brochure
- ❖ PowerPoint Presentation

✓ The students have to prepare & submit their project on the same day and it will be showcased & explained by the students during the day of the event only.

✓ **The students will be assessed based on the following parameters:**

- Creativity & Presentation
- Use of computer application
- Authenticity of content

**Note:**

**Date of Event:** July 19, 2023  
**Day of Event:** Wednesday  
**Classes –** III to XI (Graphics & Design Club Students)  
Use any computer application as feasible to you.

Looking forward for an active participation from each student.

Best Regards  
BPSG
