Session 2023-24

EVS EVENT REPORT

Class- V-A

CBSE AFFILIATION NO. 1730974

Date- 27.01.2024

Subject- EVS

Event Name: “Willow Wonders ”

Objective of the Activity:

1. To make students aware about forest conservation and sustainable management.
2. To sensitize students towards nature and environment.
3. Encourage students to develop creative expression and sharpen senses through keen observation from their daily routine.
4. Enhance curiosity and out of box thinking.
5. To learn team work and cooperation.
6. Inculcating a sense of pride in showcasing their talent.

Total no. of Students: 29

No. of Participants: 27

Methodology:

The EVS event was organized to make students aware about the importance of saving our environment and our role in it, to understand our duties in conserving our forest resource. It also enhance the logical and thinking process of the students by participating in activities that will sensitize them with our mother nature. The students were judged according to their performance and different rubrics such as quiz, poem recitation, presentation and creative item making with plant parts.

Brief note about Activity:

The event helped the learners to showcase their presentation skills on the topic. They were indulged in fruitful learning experience through creative expression. This event helped the learners to improve their knowledge related to the topic and how to be a responsible citizen.

Outcome of Activity:

1. Learners were able to understand the importance of conserving our resources and our role in it.
2. This event helped the learners to improve their scientific thinking and reasoning skills.
3. It help students to enhance their creativity and presentation skills.
4. Boost confidence among the learners.
5. Encourage peer learning and cooperation.
6. Develop and maintain problem-solving skills.
