Workshop: Pearls of Wisdom

Class- I

Dear Parents/Students

Greetings!

"All big things come from small beginnings. The seed of every habit is a single, tiny decision. But as that decision is repeated, a habit sprouts and grows stronger. Roots entrench themselves and branches grow. The task of breaking a bad habit is like uprooting a powerful oak within us. And the task of building a good habit is like cultivating a delicate flower one day at a time." Pearls of Wisdom workshop is an effective and engaging way to teach young children about the importance of good habits like saying sorry, please, thank you. BPSG is organizing a workshop which aims to instill values of kindness, gratitude, and politeness.
