Grade 'IX' assembly

**LIFE teaches us to make good use of TIME
While TIME teaches us the value of LIFE**

Most people are familiar with the fact that time management is important, yet precious few understand that you need a personalized approach to seriously achieve any extra efficiency in your day. This is because everyone's schedule is unique. No one else understands the importance of your time during particular periods of your schedule. But to appreciate that it's important for you to start with an audit of your daily habits to see where you're wasting the most time.

Objective: Keeping the importance of time and its management in an individual's life, Grade IX is organizing a special assembly to exhibit how this small effort can bring out the great difference in our lives on **05 October, 2023**.
