

BIRLA PUBLIC SCHOOL GANGANAGAR

(A UNIT OF BIRLA EDUCATION TRUST PILANI)

Session: 2023-24

CBSE AFFILIATION NO. 1730974

**Dear Parents and Students
Greetings!**

Date: October 31,2023

General knowledge is something that really help us to grow both on personal as well as academic level. It narrows our sense of perceiving the world, understands, and analyzes the situations better as one would without proper knowledge. General knowledge open gateways of our thinking, and take it to a level from where the whole world seems to be a better place. General Knowledge helps broaden the knowledge level in an individual and this knowledge can prove to be useful for children in both personal and academic forefronts. It will make them smarter in every phase of life and add to their holistic growth. Therefore, General Knowledge Quiz is being planned for the students of grade III to XI.

Details of the competition are as follows:

- The competition will be organised in three groups . Group I- III To V, Group II- VI to VIII and Group III- IX to XI.
- The competition will be conducted in two rounds: Preliminary and Final.
- In preliminary round students will be given question paper in form of hardcopy.
- The judging panel's decision will be final and binding.
- The preliminary round will be conducted on November 4, 2023.
- In preliminary round students will be given 35 minutes for 50 questions in MCQ form.
- 4 students from each house will be selected for Final round.
- The selected students will be given chance to participate in the final round to be conducted on November 18, 2023.
- In final round subject wise rounds will be conducted.

Rubrics:

Prelims Round: Students will be assessed based on their scores.

Final Round: Team will be assessed based on their performance.

We encourage all interested students to participate and challenge themselves in this intellectually stimulating competition. Having General knowledge makes children more resourceful. The more resourceful one is, the more confident one becomes in their abilities. Gaining knowledge is a continuous and lifelong process , and as one becomes more familiar with different kinds of knowledge, it raises self-esteem in children. Remember, "Success is the sum of small efforts, repeated day in and day out." Practice regularly and expand your knowledge to excel in the Quiz competition.

For any further inquiries, please feel free to contact your house in-charges.

Wishing you all the best in your preparations!

**Warm regards,
BPSG**
