**GRADE 'VIII' ASSEMBLY**

*"Shoot for the moon. Even if you miss, you'll land among the stars."*

The theme "Sky is the limit" encapsulates the idea that there are no boundaries or limitations to what one can achieve. It encourages individuals to dream big, set ambitious goals, and believe in their own potential. The sky, often symbolizing vastness, freedom, and endless possibilities, reminds us that we have the power to soar beyond our perceived limitations and reach new heights. It urges us to break through barriers, conquer challenges, and strive for greatness. BPSG is embracing the theme "Sky is the limit" by organising a special assembly and embarking on a journey of limitless potential and remarkable achievements.

**Objective:** Keeping the importance of setting high goals in an individual's life, Grade VIII is organizing a special assembly to exhibit how motivation plays a vital role to help the person achieve his/her goals on July 13, 2023.

We believe that this assembly will not only provide an opportunity for our students to showcase their talents but also serve as an inspiration for everyone to dream big and aim for the highest goals.

**The assembly will comprise various performances and presentations revolving around the theme. The schedule for the assembly is as follows:**

**Event list:**

- Morning Prayer (Hey Sharde Maa..)
- Word of the Day
- Thought for the Day
- News Headlines
- Song
- Speech
- Dance

Note: Students will bring the required props from their home.

We look forward to your enthusiastic participation and support. Let us join hands and witness the boundless potential of our young minds as they strive to touch the sky!
