

BIRLA PUBLIC SCHOOL GANGANAGAR

(A UNIT OF BIRLA EDUCATION TRUST PILANI)

CBSE AFFILIATION NO. 1730974

Session: 2023-24 EVENT REPORT

Day: Saturday
Date: 28th October 2023
No. of Participants: 29

Class- IX
Subject- Information Technology

Event Name: TECHVIDOO

Objective of the Event:

- Explore the visual expression through video creation. Participants will have the opportunity to channel their creativity, weaving narratives, and crafting compelling visuals using cutting-edge video editing tools.
- Elevate your digital skills by becoming proficient in video editing software. Whether you're a beginner or an experienced editor, our event will provide hands-on experiences to enhance your technical abilities, including mastering editing techniques, incorporating special effects, and refining audio-visual synchronization.
- Embrace the concept of lifelong learning by delving into the ever-evolving realm of digital media. Stay updated with the latest trends and techniques, ensuring you are well-equipped to excel in the dynamic landscape of multimedia production.

Event Activities:

- **Introduction to Video Creation:** The event kicked off with an in-depth introduction to the art of video creation, delving into fundamental concepts and techniques necessary for creating compelling visual narratives.
- **Demo of Video Editing Website:** A live demonstration of video editing online website was presented. Students were guided through the intricate features and tools, emphasizing the website's intuitive interface and its potential for enhancing video quality.
- **Hands-On Video Creation:** The Students were immersed in hands-on sessions, where they had the chance to create their own videos. The students exhibited their artistic flair and ingenuity in the production of video invitations. With their creative touch, they transformed the invitations into engaging and visually appealing multimedia messages.

Brief note about event:

BPSG always thrives on catering the all-round development of their students with the improved performance of students in the field of design and creative skills through designing computer-related activities. The event served as a catalyst for inspired exploration and experimentation. Students were encouraged to push creative boundaries, explore unconventional ideas, and innovate within the realm of video production.

Outcome of Activity:

- Students exhibited heightened creativity by seamlessly blending diverse visuals, audio elements, and storytelling techniques to craft visually captivating and emotionally resonant videos.
- The event provided students with a foundational understanding of digital tools for artistic expression, opening doors to further exploration in the digital art realm.
- Active engagement and positive reinforcement during the event bolstered students' confidence in their video creation skills.

Session: 2023-24

Dear Parents & Students,

Greetings!

We are excited to announce that Birla Public School Ganganagar will be hosting a computer event - "Techvidoo". Techvidoo is more than just an event; it's a platform for innovation and technology exploration.

Event Details:
Event Title: Techvidoo
Date: 28th October, 2023
Day: Saturday
Participants: Class 9 (All Students)

Techvidoo promises to be a unique, fun-filled and creative endeavor, where students will showcase their computer skills and creativity in the field of video designing.

Techvidoo is designed to challenge and inspire our students where they have the opportunity to apply their knowledge, problem-solving skills, and creativity in the world of technology. Which encourage them to think outside the box, collaborate with peers, and demonstrate their talents in the digital realm.

We kindly request your child's active participation in Techvidoo. We encourage you to support and motivate your child to prepare for this event. It's a wonderful opportunity for them to learn, grow, and develop their computer-related talents.

Thank you for your cooperation and support. We look forward to witnessing the innovative and creative projects that our students will showcase during Techvidoo.

Warm regards,
BPSG
