**"The important thing is not to stop Questioning.
Curiosity has its own reason for existing"**

Dear Students

"Curious Kids."

Science has a great impact on each of us, whether we're passionate about it or not. We all know how important it is to foster the love of Science and it is all around us. So, to do something new and useful, to encourage awareness of Science, BPSG is organizing a Science event on 25th August 2021 (Wednesday) for Science club. Here are some science activities that you can do at home.. Doing this you can feel that science is not only easy but it can also be fun and exciting!

Topics of the event are as follows –

- Cell Membrane
- Osmosis
- Atmospheric Pressure
- Presence of air in the water
- Air occupy Space
- Acid And Base Reaction
- Formation of metal oxide

Rubrics for Assessment

- Presentation
- Verbal expression
- Creativity
- Content Knowledge

Note:

- Besides these given topics, students can choose any topic of own
- Students will show their small experiments and will also speak for the same.
- Students need to create and represent experiments on any of the above topic and need to represent it after discussing its procedure and importance.

STAY SAFE, HAPPY & HEALTHY !

Regards,
BPSG
