

Session: 2023-24

"Photography is the art of frozen time... the ability to store emotion and feelings within a frame."

**Dear Parents/ Students,
Greetings!**

We are pleased to announce an exciting event, "The Artsy Lens," organized by the Photography Club of Birla Public School Ganganagar. This event, has been scheduled on October 04, 2023, with the aim to celebrate the art of photography and enhance the skills of our BPSGians photographers. The event is not just about clicking pictures; it's about capturing moments, telling stories, and exploring the beauty of the world through the lens.

The event is a unique opportunity for our Photography Club members to explore the beauty of nature and their surroundings through their lenses. Participants will have the chance to capture the mesmerizing essence of the environment, showcasing their creativity and technical prowess. The event encourages students to immerse themselves in the world of photography, appreciating the subtle details of nature and transforming them into captivating images.

The school encourage all Photography Club members to actively participate in "The Artsy Lens" event. It is an excellent platform to not only showcase the talent but also learn and grow as a photographer.

**Regards
BPSG**
