(A UNIT OF BIRLA EDUCATION TRUST PILANI)

CBSE AFFILIATION NO. - 1730974

Dear All,

Wish you all 3rd Founder's Day of BPSG.

It is a day when members of the school community – Students, Staff, School Governing Body members, who have bequeathed resources to its development and friends – meet to commemorate those who founded the school. Indeed, it was not possible without your cooperation.

On this day we aim to develop the ambition and potential of every Student, whether it is academic or any other sphere. BPSG believes that a Student can achieve anything with focus, perseverance and confidence so later on one day our Students can proudly say that they owe their education to their founders.

I would like to recite a quote of a Greek philosopher Aristotle: quote “Excellence is never an accident. It is always the result of high intentions, sincere effort, and intelligent execution. It represents the wisest choice of many alternatives—choice not chance, determines your destiny.”

It takes grit to achieve greatness!

BPSG foundation is based on aspiration, growth and trust. The goal is still the same to keep guiding the children in the right direction and hold their hands during their young nurturing times.

BPSG has already been affiliated to CBSE secondary level this year and aims to get its Senior Secondary affiliation completed before the next Founder's Day celebration.

Though Founders day was the day to showcase the activities designed to contribute towards an all-round development of our young BPSGians and celebrate it with fervour, zest and enthusiasm in the campus but due to the on-going COVID pandemic the activities participation of our young students are restricted.

Once again, I congratulate each one of you on this special day of BPSG.

Regards

Founder Headmistress
