Earth Day Theme: "Planet Vs. Plastics"

Dear Parents
Greetings!

We are excited to announce that BPSG will be celebrating Earth Day on Monday, 22 April 2024. This year's theme is "Planet Vs Plastics" and we encourage everyone to participate in making our planet a better place for future generations.

Various activities have been planned for the students and we will be using our school website and social media platforms for promoting awareness about our Earth and our environment.

As a part of this celebration, we have planned the following activities:

1. **Special School Assembly:** On Monday, 22 April, from 8:40 am to 9:15 am, special

School Assembly will be conducted for all the classes to celebrate this special day. The assembly will comprise of a Skit, a Thought, relevant news items pertaining to environmental changes happening at present and vocabulary enrichment.

2. **Awareness about Mother Earth:** Virtual Tour and Nature Walk.

The students will speak on environmental damage caused by plastic, suggesting its alternatives.

3. **Connect with nature and advocate for a sustainable future:** We request you to encourage your wards while they participate in the activity mentioned below:

- Make a 1 - minute video on the topic 'My Vision of My Planet Earth' using any medium of expression: a poster, painting, song (even rap), recitation of a self-composed poem, slogan making, meme, mono-acting etc. which will showcase your ward's vision.
- The video should include the thought process that forms the basis of their creation and send it to their class teacher latest by 6 pm on Sunday, 21 April 2024.
- The selected videos will be shared on the school website and other social media platforms of the school.

Thank you!

Best Regards
BPSG
