

BIRLA PUBLIC SCHOOL GANGANAGAR

(A UNIT OF BIRLA EDUCATION TRUST PILANI).....a step ahead

Session 2023-24

SCIENCE EVENT REPORT

CBSE Affiliation No.- 1730974

Date- 20.01.2024

Class- VI-B

Subject- Science

Event Name: “Magic of Magnets ”

Objective of the Activity:

1. To make students aware about scientific concepts like magnet, magnetism and how they play an important role in our life.
2. Encourage students to develop creative expression and sharpens senses through keen observation from their daily routine.
3. Enhances curiosity and out of box thinking.
4. To learn team work and cooperation.
5. Inculcating a sense of pride in showcasing their talent.

Total no. of Students: 31

No. of Participants: 26

Methodology:

Science event was organized to make students aware about how science is around them, how small things work. It also enhance the logical and thinking process of the students by creating visual arts that helped them with the concepts of Science in their day-to-day life. The students will be judged according to their performance and different rubrics such as quiz, magnet toy presentation, activity Demonstration related to magnets.

Brief note about Activity:

The event helped the learners to showcase their skills on the topic of their choice based on creative based process. This event helped the learners to improve their knowledge related to the topic and how to use them in their daily life.

Outcome of Activity:

1. Learner were able to learn how to apply their classroom learning in daily life activities.
2. This event helped the learners to improve their scientific thinking and reasoning skills.
3. Boost confidence among the learners.
4. Encourage peer learning and cooperation.
5. Develop and maintain problem-solving skills.

Session: 2023-24

"As magnets align and dance, they whisper the secrets of the universe - a silent dialogue between matter and the forces that bind it."

Class VI: Science Event
Magic of Magnets

Dear Parents and Students
Greetings!
"Unlocking the secrets of attraction and repulsion" - join us as we explore the enchanting world of magnetic wonders at our Science Event: 'Magic of Magnets'. Let the forces of science draw you into a realm of fascination and discovery. Get ready to be drawn into the fascinating world of magnetism! Where we will explore the enchanting mysteries and applications of magnets.

Objective: To provide opportunities for Experiential Learning where children will participate and enhance their creativity, presentation, and communication skills.

Event Details:
Date: 20/01/2024
Time: Science Period
Venue: Classroom

Activities:
1. **Innovative Demonstrations:** Students can design their own models or toys to demonstrate Concept of Magnet.
2. **Magnetic Treasure Hunt:** A treasure hunt where students will follow magnetic clues to find hidden items. This activity combines problem-solving with the exploration of magnetic force.
3. **Dazzling Experiments:** Students can perform any simple experiment or activity related to magnets.
4. **Quiz:** Students will participate in an interactive Science quiz to test their knowledge and understanding about concept of magnets.

Rubrics for Assessment:

- Presentation
- Creativity
- Concept clarity
- Scientific skills

Note:

- Students can make their models and toys at home and will demonstrate them on the day of event.
- Students need to create and represent project on the above topics with innovative ideas.
- Participation is compulsory for all the students.
- Parents are requested to motivate their ward for active participation.

Thank you for your cooperation.

Regards
BPSG
