

BIRLA PUBLIC SCHOOL GANGANAGAR

(A UNIT OF BIRLA EDUCATION TRUST PILANI)

Session 2023-24

CBSE Affiliation No.- 1730974

EVENT REPORT – Journey of Numbers

Day & Date: 4 Nov 2023 (Saturday)

Event Name: Symmetrical Symbols'

Class: 3A, 3C

Objective of the Mathematics Event:

1. Enhancing students' understanding of symmetry through hands-on activities and interactive discussions.
2. Encouraging students to identify and create symmetrical patterns using symmetry symbols.
3. Promoting critical thinking and problem-solving skills by challenging students to analyze and identify symmetrical objects in their surroundings.

Total Number of Students: 21(3A) & 22(3C)

Number of students Participated: 20(3A) & 20(3C)

Brief Note about Event:

The event was conducted in the Mathematics lab. Various activities based on Symmetry were conducted such as Symmetrical Patterns, mirror halves, Identify Symmetrical lines etc. Students were suggested to make Symmetrical patterns, shapes, show Symmetrical lines in the minimum time. Group competition has been organised among students to inculcate peer learning.

Outcome of Activity:

1. This event helped the learners to improve their thinking and reasoning skills.
2. Boost confidence among the learners.
3. Encourage peer learning.
4. Develop and maintain problem-solving skills.
5. Use the concept of symmetry in daily life.

Enclosures:

1. Circular of the Event
2. Poster of the Event
3. Photographs for Evidence

"The only way to learn Mathematics is to do Mathematics."

'SYMMETRIC SYMBOLS'

CLASS - III

MATHEMATICS EVENT

Date: November 4, 2023
Day: Saturday

www.bpsg.edu.in | BPS-Ganganagar | Bpsganganagar

The poster features a vibrant background with a large, colorful geometric pattern of interconnected lines forming a complex, symmetrical shape. The text is arranged in a clear, hierarchical manner, starting with the school name and affiliation, followed by a quote, the event title, class level, and date. Social media handles and the school website are listed at the bottom.

2. Circular of the Event:

CIRCULAR – MATHS EVENT
CLASS – III
'SYMMETRIC SYMBOLS'

Dear Parents and students,
Greetings for the day!!

"We need Mathematics to help us put events and trends into perspective, to look rationally and reasonably at aspects of these events that may not appear on the surface."

We believe that Math is from everywhere, in everything, and for everyone and that anyone can be a math person when they don't learn math but experience it. Symmetrical Shapes and Symbols play a crucial role in mathematics. It helps Children develop an understanding of symmetry, which has practical implications in various fields. To enhance our students' learning experience and foster a deep understanding of symmetrical symbols, BPSG is coming up with an event of Mathematics for class III students named – 'Symmetrical Symbols' on 4th November, 2023 (Saturday) which will be packed with full of learning and fun. BPSG is going to conduct the following activities for our students and the material for the same will be arranged by students.

Activities for the event

- > Symmetry Mirror Game
- > Symmetry Art
- > Symmetry Bingo
- > Symmetry Sorting

Rubrics for Assessment	Marks
Concept Clarity	5
Mental Ability	5
Level of Understanding	5
Accuracy	5

NOTE: Participation is Compulsory for all.

Regards
(BPSG)

The circular is framed with a decorative border and contains all the necessary details for the event, including the school name, event title, date, and a list of activities. It also includes a rubric for assessment and a note about compulsory participation.
