

## Session: 2023-24

*"Words are the bridge between our thoughts and the world. Vocabulary is the key to unlocking that bridge, and 'Words of Wonder' is where our journey begins."*

**Dear Parents & Students,  
Greetings!**

We are pleased to announce an enriching and creative event, "Words of Wonder," organized by the English Department of Birla Public School Ganganagar for the students of grade III. This event is a vocabulary-focused event designed to enhance our students' language skills through engaging activities and promises to be an exciting and educational experience for our students.

### **Event Details:**

- **Event Name:** Words of Wonder
- **Date & Day:** October 09, 2023; Monday

Throughout the event, students will have the opportunity to participate in various activities, including:

- **Jumble Letters:** Students will be given a set of jumbled letters and will need to unscramble them to form meaningful words.
- **Crosswords Activity:** A challenging crossword puzzle activity that encourages students to apply their vocabulary knowledge.
- **Homonyms and Homophones:** A fun exploration of words that sound alike but have different meanings (homophones) and words that sound the same but have different meanings (homonyms).

We believe that the event will not only foster a love for words but also help students improve their vocabulary and language comprehension. We encourage all students of Grade III to participate actively in this event and showcase their linguistic talents.

We look forward to seeing our students excel in the 'Words of Wonder' event.

**Best regards  
BPSG**
