

“HAWAN CEREMONY”

Dear Parents,

We are pleased to share that Admit Cards for the CBSE Board Examination 2023-24 have been generated by CBSE and the school has successfully downloaded the same. May this be the beginning of a journey of our BPSGians filled with success and accomplishment.

We look forward to welcoming our students and parents to the ‘Hawan Ceremony’ at school on Thursday, February 15, 2024, to seek grace and blessings from divinity for a strong preparation and performance by our BPSGians in the CBSE Board Examination 2024. It is believed that the hawans cleanse the mind and neutralize pre-exam nervousness, which in turn raises performance levels.

Please note the following:

- *Timings for Hawan Ceremony will be from 10 to 11 am. Your ward must come properly dressed in winter school uniform with I-card.*
- *It is reiterated that your ward must not be in possession of any electronic gadget.*
- *After Hawan, the Principal will canopy the gathering, especially the students with his motivational words.*
- *The teachers will also share the dos and don'ts with the students during the examination and also give some valuable last-minute tips for the preparation of the upcoming Board Examination.*
- *Admit cards will be handed over to your ward after the Hawan Ceremony, provided that all pending dues related to Accounts, Library, Labs, etc. are cleared.*

Regards
BPSG
