“Vedic Mathematics Club Sparks Intellect with Brain Blitz Quiz Competition”

The Vedic Mathematics Club of Birla Public School Ganganagar organized a power-packed event, Brain Blitz – A Fast-Paced Reasoning Quiz Competition, on 27 August 2025 in the Mathematics Lab during the club period. The event was successfully conducted under the guidance of Mr. Mukesh Kumar, In-charge of the Vedic Mathematics Club.

The competition was designed to challenge students' mental agility, logical reasoning, and application of Vedic Mathematics techniques. The quiz consisted of a series of rounds covering logical puzzles, rapid-fire mental math problems, and reasoning challenges where students had to apply quick calculation methods and presence of mind to score points. The fast-response format kept the participants on their toes, creating an atmosphere filled with excitement, focus, and healthy competition. The assessment was based on important rubrics such as logical reasoning ability, speed and accuracy, application of Vedic Mathematics tricks, time management, and presence of mind. Students not only demonstrated their quick-thinking skills but also displayed confidence and teamwork while solving complex problems within seconds.

Speaking on the occasion, Principal Dr. Nitesh Kumar Singh appreciated the initiative and said, *“Brain Blitz is a commendable effort by the Vedic Mathematics Club. It provides our students with an opportunity to sharpen their intellect, develop clarity of thought, and improve their reasoning abilities in a fun and engaging way. Competitions like these instill confidence and prepare our learners for bigger challenges ahead.”*

The event concluded with applause and appreciation for the enthusiastic participation of all club members. Brain Blitz truly lived up to its name, leaving students motivated to embrace logical reasoning and Vedic Math techniques in their daily problem-solving.
