Ms Babita Singh
Founder Principal
Birla Public School Ganganagar

From the Principal's Desk ...

"Education is not about acquiring certificates and degrees; it's acquiring knowledge and understanding that comes in hand during application".

It's my privilege to be the Founder Principal of this world class institution, with a vision for excellence through empowering students with wisdom and sanity. Birla Public School Ganganagar welcomes students and their parents for an unparalleled experience with a state of the art infrastructure, coupled with latest pedagogical advancements in the field of education on par with the world's best. Our promise stands to transform the innate potential of your child into a success beacon to the society. At BPSG, academic and holistic excellence will be imbibed by students through sports, performing arts amongst a plethora of exposure as we believe that holistic growth of a child can be ensured only by an education that caters to all three domains as per the Bloom's Taxonomy: cognitive, affective and psychomotor. "Catch them Young" is the buzz. BPSG aims to train its students against social evils through Value based Classroom transactions and an assessment mechanism that measures right application of acquired knowledge. To mould students future ready, 21st century competencies like effective communication, decision making, problem solving, critical and creative thinking, self awareness, empathy and digital literacy are in focus. We integrate Art, multiple intelligence, artificial intelligence, soft skills to ensure experiential learning, unlearning and relearning happening everyday. Our multifaceted team is well equipped and all set to make a difference in the lives of young hearts and minds who in near future will be our reflection. We wholeheartedly support and work on the students to enable them standout and be exclusive amongst the majority or the masses. Our nurturing environment and experiential learning strive at providing opportunities that encourage students to discover and realize their individual potential, in both academics and beyond academics. I congratulate parents and students for being a part of this wonderful institution and wish you the very best for the future. Let's pursue excellence and make the world a better place to live in. "Together we can, Together we will".
