(A UNIT OF BIRLA EDUCATION TRUST PILANI)

Session 2023-24

CBSE Affiliation No.- 1730974

EVENT REPORT – Journey of Numbers

Day & Date: 3 Nov 2023 (Friday)

Event Name: Number Ninjas

Class: 4C

Objective of the Mathematics Event:

Identify and apply the properties of lines and angles. Understand the concept of parallel, perpendicular, complementary and supplementary angles, vertical angles and parallel lines cut by a transversal.

Total Number of Students: 26

Number of students Participated: 23

Brief Note about Event:

The event was conducted in the Mathematics lab. Various activities based on numbers were conducted such as Puzzles, Jumbles, Scavenger Hunt. Students were suggested to solve the problem in the minimum time. Group competition has been organised among students to inculcate peer learning.

Outcome of Activity:

1. This event helped the learners to improve their thinking and reasoning skills.
2. Boost confidence among the learners.
3. Encourage peer learning.
4. Develop and maintain problem-solving skills.
5. Use mathematical ideas to model real-world problems

Enclosures:

1. Circular of the Event
2. Poster of the Event
3. Photographs for Evidence

CIRCULAR – MATHS EVENT
CLASS – IV
'NUMBER NINJAS'

Dear Parents and students,
Greetings for the day!!

"We need Mathematics to help us put events and trends into perspective, to look rationally and reasonably at aspects of these events that may not appear on the surface."

We believe that Maths is from everywhere, in everything, and for everyone and that anyone can be a maths person when they don't learn maths but experience it. Numbers are of utmost importance in mathematics as they form the foundation for all mathematical concepts and operations. Without numbers, mathematics as we know would not exist. To enhance our students' learning experience and foster a deep understanding of numbers and its applications, BPSG is coming up with an event of Mathematics for class IV students named – 'Number Ninjas' on 6th November, 2023 (Monday) which will be packed with full of learning and fun. BPSG is going to conduct the following activities for our students and the material for the same will be arranged by students.

Activities for the event

- > Number Facts Relay
- > Number Puzzle Race
- > Number Scavenger Hunt

| Rubrics for Assessment | Marks |
|------------------------|-------|
| Concept Clarity | 5 |
| Mental Ability | 5 |
| Level of Understanding | 5 |
| Accuracy | 5 |

NOTE: Participation is Compulsory for all.

Regards
(BPSG)
