

**BIRLA PUBLIC SCHOOL
GANGANAGAR**
E-Newsletter – ‘UDAAN’
Session 2024-25
(August to November)

From the Principal's Desk

"You can teach a student a lesson for a day; but if you can teach him to learn by creating curiosity, he will continue the learning process as long as he lives."

Education transcends the mere acquisition of certificates and degrees; rather, it is the assimilation of knowledge and understanding that proves invaluable in real-world applications. Birla Public School Ganganagar plays a pivotal role in extending the triumphant narrative of Birla Education Trust.

Our vision extends beyond conventional education, aiming to nurture individuals characterized by their multi-dimensionality, an ardent passion for knowledge pursuit, a broad global perspective, innovative thinking and unwavering dedication in their chosen endeavours.

The essence of education, as we perceive it, goes beyond the confines of textbook learning. Our mission is to instill humane values such as wisdom, compassion, courage, humility, integrity and reliability in each student. Striking a harmonious balance between state-of-the-art infrastructure and globally recognized education is our earnest endeavour.

At BPSG, we embrace a holistic approach to education, seamlessly blending academics, co-curricular activities, sports and life skills. This synthesis shapes students into well-rounded individuals ready to face the complexities of life. Our versatile team is equipped with diverse skills, ready to catalyze transformative impacts in the lives of young minds. These individuals, poised to become reflections of our collective commitment, take center stage in advancing our mission.

The core mission of BPSG is to mold assertive and self-assured individuals with refined competencies. The school passionately supports students, fostering their uniqueness and empowering them to stand out amidst the masses.

In the words of Albert Einstein, "Wisdom is not a product of schooling but of the lifelong attempt to acquire it." BPSG is unwaveringly dedicated to this pursuit, ensuring a constant and earnest effort to cultivate wisdom in its students.

Dr. Nitesh Kumar Singh
Principal

Science club Event- Discovery Conclave

(August 14, 2024)

“Science opens doors to endless possibilities.”

The Science Club’s Discovery Conclave ignited curiosity and innovation. Students explored scientific concepts and showcased their creativity through engaging projects and presentations. The Discovery Conclave, organized by the Science Club, was an engaging platform for young minds to explore and innovate. Students showcased their scientific acumen through various projects, experiments, and presentations. The event aimed to foster a spirit of inquiry and encourage critical thinking among participants. It featured interactive sessions and live demonstrations, making science both fun and accessible. The conclave was a testament to the school’s commitment to nurturing budding scientists and promoting a culture of innovation and creativity.

Class VI Sanskrit Event:
(Shlok Gayan)
(22 October 2024)

"Through Sanskrit shlokas, we connect with the echoes of wisdom and values from our heritage."

On 22nd October 2024, Class VI students of Birla Public School, Ganganagar, participated in the Sanskrit Shloka Recitation Activity, celebrating the linguistic beauty and cultural richness of Sanskrit. The event aimed to spark interest in the language, improve pronunciation, and connect students to India's heritage through verses from the Bhagavad Gita and Upanishads. Students confidently recited shlokas with clarity and meaning, enhancing their memory, creativity, and public speaking skills. This activity beautifully instilled a sense of pride in Indian culture and showcased the timeless wisdom embedded in Sanskrit.

Class V C Special Assembly:
{Man the maker of his own destiny}
(24 October 2024)

***"Your destiny is written not by the stars,
but by the strength of your will and the
actions you take."***

On 24th October 2024, the students of Class V C at Birla Public School, Ganganagar, presented an inspiring special assembly on the theme "Man: The Maker of His Own Destiny." The program highlighted the importance of self-belief, hard work, and determination in shaping one's future. Through a blend of thought-provoking speeches, motivational skits, and captivating performances, the students conveyed the message that destiny is not a matter of chance but a result of choices and efforts.

Grade X- Maths Event- Triangula Tech (November 04, 2024)

"Mathematics is not about numbers, equations, computations, or algorithms: it's about understanding."

On November 04, 2024, Grade X took part in Triangula Tech, a unique Maths event where students explored the world of geometry through technology. The event combined innovative tech tools with mathematical problem-solving, allowing students to deepen their understanding of triangles and their applications in the real world. It was a perfect blend of technology and mathematics, fostering critical thinking and problem-solving skills among participants.

Grade XI- Economics Event- Numeric Navigator (November 05, 2024)

“Math is the bridge between the abstract and the real.”

November 05, 2024, Grade XI engaged in Numeric Navigator, an Economics event where they used mathematical reasoning and logical thinking to tackle real-world economic problems. The competition challenged students to navigate through complex numerical data and make sense of it, enhancing their analytical skills and understanding of economic principles. The event was a perfect demonstration of how mathematics intersects with economics, pushing students to think critically and make informed decisions.

Grade III- Maths Event- Integer Innovator (November 06, 2024)

“Mathematics is the music of reason.”

November 06, 2024, Grade III students took on the challenge of *Integer Innovator*, an event that revolved around the world of integers. Through fun and engaging activities, students were able to enhance their understanding of positive and negative numbers. This event not only improved their mathematical skills but also built their confidence in approaching problems involving integers, encouraging a hands-on learning experience.

Grade IX- Maths Event- Geo Graphica (November 08, 2024)

*"Mathematics is not about numbers,
it's about thinking."*

November 8, 2024, saw two major events: *Geo Graphica* for Grade IX and the adorable *Sock Puppet Show* for UKG. In *Geo Graphica*, students explored the fascinating intersection of geometry and geography. The event involved using geometric shapes and spatial reasoning to solve real-world problems, allowing students to appreciate the practical applications of mathematics in understanding our world. Meanwhile, the UKG students wowed the audience with their creativity and storytelling in the *Sock Puppet Show*. Through colorful sock puppets, they brought stories to life, showcasing their imagination, communication skills, and ability to collaborate.

Grade IV- Maths Event- Symmetry

(November 11, 2024)

"In mathematics, the impossible is only the unexplored."

On November 11, 2024, Grade IV participated in *Symmetry*, where they discovered the beauty of symmetrical patterns in mathematics. The event explored how symmetry plays a key role in the world around us, from nature to architecture, and helped students appreciate the balance and harmony present in mathematics. Simultaneously, Grade V engaged in *Numeric Nexus*, a thrilling Maths event that tested their understanding of numbers and their ability to solve complex numerical puzzles. Students worked in teams, solving intricate problems and showcasing their mathematical skills.

Click to watch the video

Grade V- Maths Event- Numeric Nexus

(November 11, 2024)

“Mathematics is the art of solving the puzzles of the universe.”

On November 11, 2024, Grade V students came together for the exciting "Numeric Nexus" event, where they immersed themselves in a world of numbers and mathematical challenges. This event was designed to push their problem-solving and critical thinking abilities, as students tackled puzzles, games, and activities that tested their numerical skills in a fun and engaging way. Through teamwork and creativity, the participants demonstrated their growing confidence and passion for mathematics, making this event a memorable one for all involved.

Grade XI- Maths Event- Through Relations

(November 11, 2024)

"Math: The only subject that counts!"

Grade XI also took part in *Through Relations*, a fascinating Maths event that focused on understanding mathematical relationships. The event helped students explore various concepts in algebra, geometry, and functions, allowing them to see the connections between different areas of mathematics and how they work together to solve real-life problems.

Each of these events not only showcased the students' skills but also emphasized the importance of teamwork, creativity, and the joy of learning.

Grade VI- Maths Event- The Geometric Gigglers

(November 12, 2024)

*"Mathematics is the music of reason,
and creativity knows no bounds."*

November 12, 2024, Grade VI students participated in "The Geometric Gigglers," a captivating event that explored the fascinating world of geometry. Students were challenged to think about shapes, angles, and spatial relationships in new and exciting ways. With a variety of hands-on activities and puzzles, participants had the opportunity to sharpen their geometric reasoning while enjoying the process. The event not only enhanced their understanding of geometric concepts but also encouraged teamwork and creative problem-solving.

Grade VIII- Maths Event- Ratio Revelations (November 12, 2024)

"Pure mathematics is, in its way, the poetry of logical ideas."

"The Geometric Giggles," Grade VIII students took part in "Ratio Revelations," an event that deepened their understanding of ratios and proportions. Through engaging challenges and real-life applications, students explored how ratios play a vital role in everyday life, from cooking and measurements to real-world problem-solving scenarios. The event allowed them to connect theoretical knowledge with practical applications, making math both relevant and exciting. The participants showed great enthusiasm as they tackled ratio-based challenges, reinforcing their mathematical expertise in the process.

Grade XII Accountancy Event:
(AS-3 Quest – Analyzing Cash Flow Statement)
(November 26, 2024)

"In the world of finance, cash flow is not just about numbers; it's the lifeblood that sustains a business."

The AS-3 Quest - Analyzing Cash Flow Statement, held on 26th November 2024, provided an insightful deep dive into the intricacies of preparing and interpreting cash flow statements in accordance with the AS-3 accounting standard. Aimed at enhancing students' understanding of financial reporting, the event focused on the essential categorization of cash flows into Operating, Investing, and Financing Activities. Participants explored both the Direct and Indirect Methods of preparation, gaining a comprehensive understanding of how businesses generate and utilize cash. By examining the movement of cash in relation to core business operations, asset investments, and financing activities, the session highlighted the critical role of the cash flow statement in assessing a company's liquidity and financial health.

*Grade III A Special Assembly:
(Journey Through the World of Books)
(November 28, 2024)*

"The more that you read, the more things you will know. The more that you learn, the more places you'll go."

The special assembly of Class III A, themed "Journey Through the World of Books," was a delightful celebration of language, literature, and the boundless realms of imagination. Through captivating activities like dramatic storytelling, book readings, and creative skits, the event illuminated the transformative power of books in shaping young minds. With an emphasis on fostering a love for reading, the assembly brought together students, teachers, and parents in a shared appreciation for the written word, creating a vibrant community of learners. It beautifully highlighted how stories not only enrich vocabulary and critical thinking but also serve as bridges to different cultures, perspectives, and experiences.
