Art Gallery

“Art has the power to transform, to educate, inspire and motivate”

In Birla Public School, Ganganagar we believe that there is a seed of art in every child and this very seed is cherished and nourished by the extraordinary love, care, and guidance of the BPSG family which has transformed the blooming seed into a blossoming plant spreading its fragrance everywhere. It is the culture of Birla Public School to emphasize the holistic development of every child. Painting is one of them. The virtual painting event, organized by the school added another feather to its cap making BPSG unparalleled in Ganganagar. The staggering event of canvassing the untold emissions through brush and paint is truly remarkable and a treat to our eyes.

Painting is not only about showing artistic creativity but also can be used as a voice of protest and awareness. The young artists of BPSG have made their painting vocal. It allowed the students to reflect on the loss experienced by many and its impact on them. These paintings depict the outsized and overwhelming impact of Covid 19 on our health care, the ecosystem in general. The incredible havoc created by the virus was often depicted paradoxically by vivid colours with precise structures and features. Art can have a transformative effect on time and space and can bring happiness and hope into many lives. The artwork adds much-needed colour into our lives recuperating inside and serves as a reminder to all who view them that a brighter day lies ahead.

The culture of this art education help in imbibing an individual and the moral development of our young learners. Art education complements learning that is taught in schools. BPSG is doing the same tirelessly until it reaches the level of perfection. It reminds me of a famous line of Rabindra Nath Tagore, " Where tireless striving stretches its arms towards perfection." And "where"? That is only in Birla Public School, Ganganagar

Its commendable 🍌</p> <ol style="list-style-type: none">1. I'm completely satisfied with the online classes.2. Yes, all the queries are resolved on time.3. Yes, the assignments are checked.4. Yes, revision tests are beneficial. <p>Also, at the same time I would give a small suggestion that as this year the system is new for every child where they have a separate teacher for all the main subjects. Unlike earlier when they had one teacher for all & it was easy for the teacher to create a personal bond with every child. So I would suggest if possible once a week each subject teacher alternatively takes up some activity (like a small game or discussion) may be for the first 15-20 mins of the period.</p> <p>Regards Ms.Veerpal Kaur M/O Sultan Singh Brar Class - 3</p> <p>6:13 pm</p>	<p>BPSG CLASS VIII BPSG, BPSG HM, BPSG Ritesh, BPSG Sanjay, BP...</p> <p>+91 820 995 5371 -ADITYA AHUJA</p> <p>Good Evening As a parent I really appreciate the way Birla has evolved itself in terms of new online teaching method in these pandemic times...keeping your thought spirits high, school has made our children development not only in terms of education but also in terms of values and co circular activities possible... Teachers are working tirelessly to strengthen our children's basic fundamentals related to their subjects. They are giving personal touch to each & every child and also tries to hear parent's feedback time and again. They make sure to create play way method and engage in open conversation. Just a small request I would like do my child is a new admission and he is little shy by nature, during his classes he never ask his doubts to teacher. It would be a great help if teacher can motivate kids to ask about their doubts.</p> <p>Parent of Aditya Class-</p> <p>8:09 pm</p>	<p>BPSG-U.K.G BPSG HM, BPSG Ritesh, BPSG Sanjay, BP...</p> <p>+91 96103 83288 -Nisha</p> <p>Ward name is Reehanveer Saharan.
