From the Principal's Desk...

"Education is not about acquiring certificates and degrees; it's acquiring knowledge and understanding that comes in hand during application".

Every child is a fountainhead of potential, which we at Birla Public School Ganganagar recognize and respect. It is our responsibility to nurture the creative spirit inherent in every child. A variety of facilities and opportunities are provided to our children so that they may hone their skills and maximize their potential. Our children are our strength and inspiration. They challenge us to give our best and thereby enrich the learning experience at school.

A BPSGian is a multi-faceted individual dedicated to the pursuit of excellence in his chosen field. Neither he will compromise with the high standards he sets for himself, nor with the values by which he leads his life.

We wish to produce leaders who will take on responsibility and have the courage to be instruments of change.

On completion of his schooling in Birla Public School Ganganagar, we trust we send into the world a well-rounded personality, compassionate and sensitive, imbued with a strong sense of self-worth, and confident to take on life's challenges as he traverses the long and interesting road ahead.

Yet again, brooding in the aftermath, "let's hope for a fresh tomorrow and let's surrender to what is, let go of what was, have faith in what will be".
