

EARTH DAY CELEBRATION

"The environment is where we all meet; where all have a mutual interest; it is the one thing all of us share."

Birla Public School, Ganganagar, organized a vibrant Earth Day Celebration on 22nd April 2025 under the theme "Caring for our Planet." The event aimed to raise environmental awareness, foster creativity, and instill a sense of responsibility among students towards the conservation of the Earth. A series of activities were thoughtfully planned for different grade levels to engage students in meaningful and hands-on learning experiences. Students of Classes III to V participated in an Eco-Fashion Show, where they designed and showcased outfits made from recyclable and eco-friendly materials, promoting the concept of reuse in a creative manner. Classes VI to VIII took part in the Recycling Challenge, which emphasized the importance of recycling and sustainability through practical activities. Meanwhile, students from Classes IX to XI presented their Eco-Friendly Innovations, displaying projects and models focused on sustainable living and environmental conservation. The celebration was held during the zero period across respective classrooms and the central courtyard, with participation being compulsory for all students. The enthusiastic involvement of students reflected their commitment to making a positive impact on the environment. Overall, the Earth Day Celebration at Birla Public School was a resounding success, reinforcing the belief that "Take care of the Earth, and it will take care of you."
