Report on Grandparents' Day Celebration

Birla Public School, Ganganagar, celebrated Grandparents' Day with great enthusiasm and heartfelt emotions, honouring the unconditional love, wisdom, and values that grandparents bring into our lives. The event began with a warm and graceful welcome extended to the grandparents by the student anchors.

An auspicious lamp lighting ceremony was conducted, where grandparents joined in lighting the lamp, symbolizing the light of knowledge, blessings, and tradition. This was followed by anchoring that seamlessly guided the audience to the next performance.

A vibrant welcome dance by the girls of Class 6B set the tone of the event, which was followed by a soulful group song presented by students of Class 6A and 6C. The performances showcased the talents of the students while expressing deep affection for their grandparents.

The event then moved to a touching dance drama by Class 6A on the theme of old age homes, raising awareness about the value and dignity of the elderly. Following this was a joyful group dance, "Dadaji Ki Chadi Hoon Main," by Class 6C, which brought smiles to everyone's faces.

Anchoring continued to connect performances, leading to a meaningful skit by Class 8A that highlighted the importance of grandparents in a child's life, both emotionally and culturally.

The highlight of the morning – Games for Grandparents – included skipping, cup stacking, ring-a-ring, chopstick pickup, and pin & con. The grandparents participated enthusiastically, and the joyful competitive spirit and laughter brought the entire ground alive.

A beautiful group dance by Class 7B on the song "Tujh Mein Rab Dikhta Hai" was performed next, which was followed by a fun-filled Balloon Train activity involving both students and grandparents.

The couple dance segment, performed by the grandparents, created a heartwarming and memorable moment for all. This was followed by a gratitude-filled dance by Class 8B, choreographed and led by the class teacher, to honour and thank the grandparents for their love and guidance.

The energy continued with the game "Fill the Bucket with Balls," a quick one-minute challenge that added to the excitement. Anchoring bridged the transitions smoothly between all acts and activities.

Students of Classes 11 and 12 girls then performed a dynamic dance, followed by an energetic performance by Class 7A under the guidance of Ms Rashi.

Principal Sir, along with some of the grandparents, delivered Words of Appreciation that touched the hearts of everyone present. This was followed by the Certificate Distribution ceremony and a Group Photo Session with all the grandparents to preserve the memories of this special day.

Finally, a few grandparents shared their Views and Experiences, expressing joy and gratitude for the school's thoughtful gesture. The event concluded with a formal Vote of Thanks, leaving everyone with smiles, memories, and a deeper appreciation for the bond between generations.

The Grandparents' Day celebration at Birla Public School, Ganganagar, was truly a blend of joy, emotion, and togetherness.

Best Regards,
Honesty House

Grandparents' Day Celebration

"Grandparents make the world a little softer, a little kinder, and a whole lot warmer."

Dear Parents and Students,
Warm greetings from Birla Public School, Ganganagar!

We are delighted to announce our upcoming **Grandparents' Day Celebration** – a heartfelt occasion dedicated to honoring the enduring love, wisdom, and presence of our beloved grandparents. The celebration will be on **Tuesday, May 6th, 2025**, in the **Mess** of our school.

Grandparents are the keepers of stories, traditions, and unconditional love. Like strong, sheltering trees, they offer comfort and guidance to younger generations. This day is a tribute to their special role in our lives and a beautiful opportunity for our students to showcase their talents in their honor.
