

Birla Public School Ganganagar

IT'S TIME FOR A

SUMMER HOLIDAY!

Name:-

Class:-

“Education is not the learning of facts, but the training of the mind to think.”

Birla Public School, Ganganagar, has designed a few engaging activities and holiday homework to enhance children's creativity and innovation for progressive learning. Help your children to do it:

MORNING BLESSINGS-

Help your children to inculcate good habits by doing. Encourage them to greet all elders in the morning and talk to your children about their likes and dislikes etc.

FUN IN KNOWING-

Tell the children about your childhood, share incidents from the past and show them your old family albums. This will strengthen the bond between you and your children.

FUN WITH BOOKS-

Encourage your children to read books with suitable morals. Help your children memorise your home address and contact numbers.

GUIDELINES FOR STUDENTS:

- Engage in physical activities like playing outside, going for walks, or participating in sports to stay healthy and energetic.
- Spend time reading books, stories, or articles that interest you. Reading helps improve your vocabulary and comprehension skills.
- Be mindful of the time spent on electronic devices. Engage offline to give your eyes a break and stimulate your creativity.

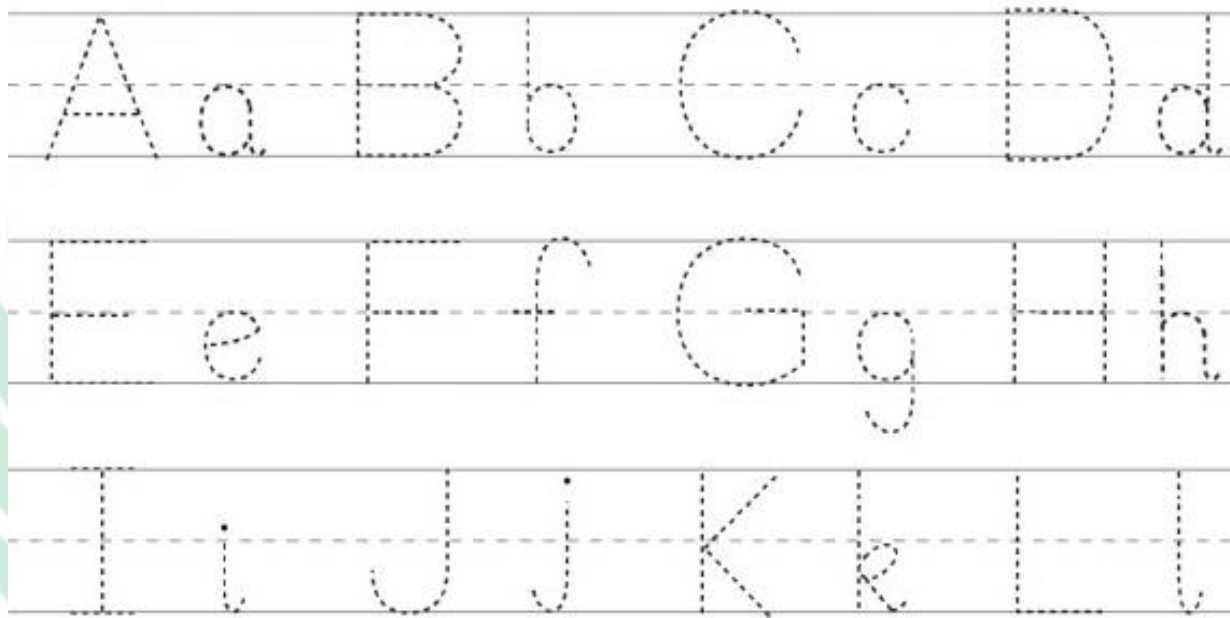

GUIDELINES FOR PARENTS:

- ❖ Ensure your child follows a healthy routine. Encourage adequate sleep, nutritious meals, and regular physical activity.
- ❖ Teach your child the importance of sustainable living. Simple actions like turning off lights when not in use, conserving water, and recycling can make a big difference.
- ❖ Promoting sustainable practices aligns with the global effort to ensure a healthier planet for future generations..
- ❖ Encourage daily reading habits by providing different books and encouraging them to solve their Magic Pot books.
- ❖ Holiday homework should be done under parental guidance and not by parents.
- ❖ Originality of work will be appreciated. For colouring, use only plastic crayons.
- ❖ Encourage your child to converse in English.
- ❖ Encourage your ward to read and write his/her full name and date on each page/worksheet.

Have an exciting vacation!

Regards

ACTIVITY TIME

Seed Germination

- **Take a seed – Use seeds like beans or mustard.**
- **Soak in water – Keep the seeds in water for a few hours.**
- **Wrap in wet cloth or tissue – Place the soaked seeds in a wet cloth or paper towel.**
- **Keep in a warm place – Put the wrapped seeds in a warm, dark area.**
- **Check daily – Make sure the cloth stays moist.**
- **Wait for sprouting – In 2–3 days, a tiny root will come**
- **Plant in soil – Once sprouted, put the seed in soil to grow into a plant**
- **Water the soil gently – Keep the soil moist but not too wet.**
- **Place in sunlight – Put the pot or garden in a place with sunlight.**
- **Watch it grow – The shoot will come out and grow leaves.**
- **Care for the plant – Keep watering regularly and protect it from pests.**
- **See a young plant – In a few days, you’ll see a healthy baby plant growing**
