ENGLISH EVENT "Dialogue Duel"

**Dear Students,
Greetings!**

We are excited to introduce a creative and dynamic English event for **Class VIII – "Dialogue Duel."** This activity will give you the chance to bring your favourite characters to life through spirited dialogue battles that combine drama, wit, and imagination.

Event Details

- **Date:** 7th October 2025
- **Day:** Tuesday
- **Venue:** Classroom
- **Participants:** All students of Class VIII

About the Event

In "Dialogue Duel," students will form pairs or small groups and perform short, scripted duels between two fictional or literary characters. Using humour, logic, and imagination, participants will engage in a lively back-and-forth exchange of dialogues to "outtalk" each other in character.

Objectives

- To develop speaking and performance skills
- To enhance creativity and improvisation
- To build confidence in using expressive language
- To encourage engagement with characters and themes

Guidelines

- Characters may be chosen from literature, mythology, or imagination (age-appropriate).
- Each duel must include original, rehearsed dialogues (2-3 minutes).
- Tone may be humorous, dramatic, or thoughtful – but always respectful.
- Students will be judged on creativity, expression, teamwork, and clarity.

This is your stage to let characters speak – **loudly, boldly, and cleverly!**
We look forward to an event full of energy, expression, and enthusiasm.

**Warm Regards,
BPSG - English Department**
