Dear Parents and Students,

Greetings!

We are pleased to announce that Birla Public School Ganganagar will be organizing an engaging and skill-enhancing event for our young learners titled "Line Game: The Excel Charts Creation Event." This event is designed to help students explore the world of data, numbers, and visual representation through Microsoft Excel.

This activity promises to be both educational and exciting as students learn how to convert raw data into meaningful and attractive charts.

Event Details :

Event Title : Line Game

Class : Class V

Date & Day: 2 December 2025, Tuesday

In this event, students will gain hands-on experience in using Microsoft Excel to enter data, format sheets, and create different types of charts such as line charts, bar charts, and column charts. This activity aims to strengthen their analytical thinking, computer skills, and understanding of how information can be presented visually.

The event encourages creativity as students experiment with colors, labels, and chart designs to make their work more effective and appealing. Selected charts will be appreciated and displayed.

We kindly request your child's enthusiastic participation in this event, helping them develop confidence and essential digital-age skills.

Thank you for your cooperation.

**Warm regards,
BPSG**
