

BIRLA PUBLIC SCHOOL GANGANAGAR

SESSION: 2025-26

Event Report

CLASS - 1A

Day & Date: September 4, 2025 (Thursday)

Event Name: शब्दों का जादू

Objective of the Activity:

- To nurture early language skills through joyful, hands-on activities
- To encourage sentence framing and story creation using familiar Hindi words
- To build confidence in oral expression and collaborative storytelling
- To celebrate the emotional and cultural richness of Hindi vocabulary
- To foster imagination and empathy through age-appropriate language tasks.

Total No. of Students: 27

No. of Participants: 26

Brief Note about the Activity:

Students participated in a creative and expressive activity titled "शब्दों का जादू" – which means "The Magic Of words." is more than a language activity. It was a celebration of how words shape emotion, imagination, and identity. For our Class 1A learners, this event was a gentle doorway into the expressive power of Hindi. Through playful sentence framing and collaborative storytelling, children discovered that words are not just tools – they are treasures. They connect us to our culture, help us express our feelings, and allow us to dream aloud.

This activity beautifully combined art and language, encouraging students to think creatively, express confidently, and connect visuals with words. It was a joyful celebration of imagination and voice.

Outcome of the Activity:

- Vocabulary Development: Students engaged with words like जंगल, राजा, राजकुमारी, जादू, दोस्ती, सपना, चाँद, सूरज, परी, जादू, किताब, स्कूल, महल, लकड़हारा, शेर, चूहा, लोमाड़ी, कौआ, मगरमच्छ और बंदर expanding their Hindi word bank through usage and repetition.
- Sentence Framing: Children practiced forming simple, grammatically correct sentences, learning how to express thoughts clearly and meaningfully.
- Story Building: students created short stories using the given words, demonstrating creativity, sequencing, and emotional understanding.
- Oral Communication: Many students confidently narrated their sentences and stories aloud, supported by visual cues and peer encouragement.
- Collaborative Learning: The activity promoted teamwork, listening, and appreciation of each other's ideas – essential social-emotional skills for young learners.
- Cultural Connection: Through familiar themes and words, students deepened their connection to Hindi language and Indian cultural imagery.
