EVENT REPORT

Day & Date-17.7.25 (Thursday)

Event Name: "Eco Day"

Class –VI C

Category: General

Objective of the Activity:

The objective of Eco Day was to develop environmental consciousness among students by engaging them in activities that promote sustainability, conservation, and eco-friendly practices. The event aimed to instill a sense of responsibility toward nature and inspire young learners to become active guardians of the environment. By integrating real-life examples with curriculum-based learning, this activity encouraged students to explore topics like pollution, climate change, biodiversity, and green living in a practical and interactive manner.

Total no. of Students: 28

No. of Participants: 28

Absentees- 0

Brief note about Activity:

1. **Slogan Writing Competition:** Students actively participated in writing creative and impactful slogans to spread awareness about environmental protection.
2. **Eco Model Display:** Students prepared and displayed eco-friendly models using recycled materials, showcasing innovative solutions to environmental problems.
3. **Interactive Discussion:** Teachers led a brief discussion on real-world environmental challenges and how students can contribute to sustainable living.
4. **Plantation Activity (optional):** Some classes also participated in a mini plantation drive within the school premises, planting saplings and learning their importance.

Outcomes of Activities:

The "Eco Day" event proved to be an enriching experience that enhanced students' knowledge of environmental issues and encouraged responsible behaviour towards nature. Students expressed their understanding through slogans and creative models, gaining hands-on experience with sustainability concepts. The activity succeeded in building ecological sensitivity, teamwork, and a proactive attitude among young learners toward conserving our planet.

Result: (Best students)

The event was conducted as a non-competitive awareness activity. All students showed great enthusiasm and creativity, and each participant was appreciated for their meaningful contribution..

Class VII Social Science Event - "Global India"

Dear Students and Parents,
Greetings!

India has always been a land of immense diversity, culture, innovation, and global influence. Our upcoming Social Science event **"Global India"** aims to take students on an enriching journey through India's contributions to the world – both historical and contemporary. This event will help young minds appreciate India's global presence and influence in areas such as economy, diplomacy, culture, science, and more.

Activity Details:

- **Topic:** Global India
- **Day & Date:** Thursday, 17th July 2025
- **Class:** VII
- **Venue:** Classroom (Subject Period)

Objectives:

- **Exploring India's Global Identity:** Understand how India's culture, economy, and diplomacy shape its global image.

Activities Planned:

- **Role Play:** Enact roles of global Indian figures like Mahatma Gandhi, Dr. A.P.J. Abdul Kalam, Sundar Pichai, etc.
- **Map Work Activity:** Showcase India's global connections through historical trade routes and modern partnerships.

Why You Should Participate:

- **Comprehensive Learning:** Gain insights into India's global impact from ancient to modern times.
- **Skill Enhancement:** Develop public speaking, research, and teamwork skills through active participation.

We encourage all students of Class VII to take part in this informative and engaging Social Science event. It's a great opportunity to expand your knowledge and proudly showcase the spirit of **Global India**.

We look forward to your active participation!

Don't miss this opportunity to learn and participate in the democratic process!

Thank you.

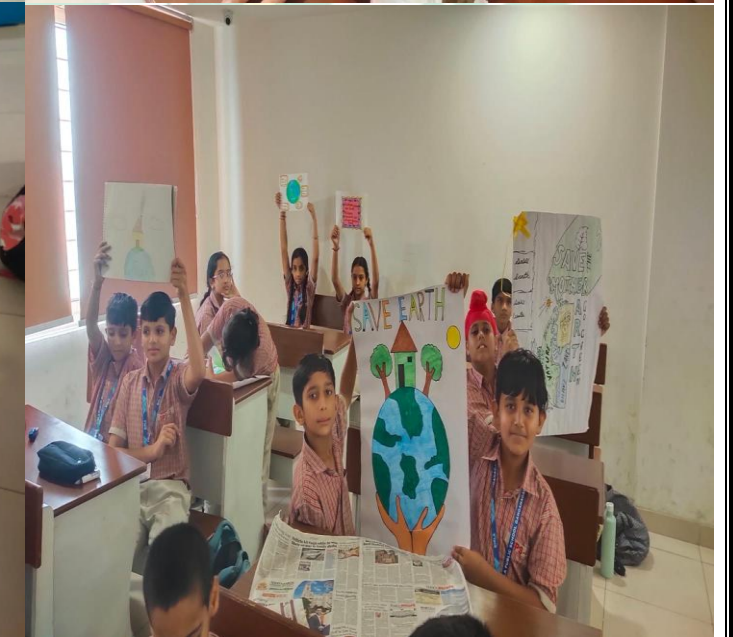

With warm regards,

BPSG
