

**Session 2025-26**

## **EVENT REPORT**

### **Special Class Assembly Report - Class VIII B**

**Theme:** *Our Planet, Our Future: Act Green, Live Green*

**Date:** 18<sup>th</sup> July 2025

**Venue:** AV Room

**Total Students:** 35

**Students Present:** 33

#### **Overview:**

The students of Class VIII B organized a vibrant and impactful Special Class Assembly centered on the theme *"Our Planet, Our Future: Act Green, Live Green."* The assembly aimed to spread awareness about environmental sustainability, climate responsibility, and everyday eco-conscious living.

The AV Room was transformed with green décor, hand-made posters, and symbols of nature, setting the tone for an inspiring event. The program was attended by students, teachers, parents, and respected Principal Sir, whose encouraging presence added to the significance of the day.

The event showcased the students' talents and their deep understanding of the need for environmental action through a variety of performances such as **dance, songs, speech, a powerful Nukkad Natak, and musical acts including a rap and band performance.** Each performance carried strong environmental messages and called for responsible actions from individuals and communities alike.

The message of the day was amplified through thoughtful speeches, wise words by Principal Sir, and the **collective Green Pledge** taken by everyone present, promising to adopt greener habits in daily life. The event concluded with the National Anthem and a group photograph to capture the memorable occasion.

#### **Key Highlights:**

- Enthusiastic participation from **33 students out of 35**
- A wide range of creative expressions – drama, dance, music, speech
- Involvement of parents and school leadership
- Use of eco-friendly decorations and symbolic green elements
- Distribution of certificates as a token of appreciation

#### **Outcomes:**

- **Environmental Sensitization:** Students and audience members developed a deeper understanding of sustainability and their role in preserving the planet.
- **Skill Development:** Students enhanced their public speaking, teamwork, and performance skills through collaborative preparation and live presentations.
- **Community Connection:** The involvement of parents fostered stronger school-community engagement.
- **Leadership & Initiative:** Students displayed initiative, leadership, and accountability in planning and executing the event.
- **Behavioral Impact:** The Green Pledge inspired students and attendees to adopt sustainable practices like reducing plastic use, planting trees, and conserving energy.

#### **Conclusion:**

The Class Assembly by VIII B was more than just a school program – it was a sincere call to action. It empowered students to think, act, and live green. With creativity, collaboration, and commitment, the students delivered a message that will echo in the hearts of everyone present: *"Our planet's future is in our hands."*
