Day & Date-23.7.25 (Wednesday)
Event Name: "Mystery of The World"

Club-"Hospitality And Tourism"
Category: General

Objective of the Activity:

- To spark curiosity and investigative thinking among students.
- To explore mysterious and scientific theories related to the Bermuda Triangle.
- To enhance research, presentation, and communication skills.
- To foster interest in reading, critical thinking, and group discussion.

Total no. of Students: 4

No. of Participants: 2

Absentees- 2

Brief note about Activity:

- **Brief note about Activity**
- **Mystery Unveiled: The Bermuda Triangle**: The event focused on one of the world's greatest unsolved mysteries — the Bermuda Triangle. Students presented dramatic narrations, theories (scientific and supernatural), and incidents of disappearances of ships and aircraft in the area.
- Participants created posters, delivered informative talks, and showcased videos and charts to make their presentations impactful.
- The atmosphere was filled with intrigue and curiosity as students discussed hypotheses like methane gas eruptions, magnetic field disruptions, and alien involvement.
- **Outcomes of Activities:**
- Improved students' research and public speaking skills.
- Developed analytical thinking and curiosity about unexplained phenomena.
- Encouraged teamwork, creativity, and use of multimedia in learning.
- Helped build self-confidence through engaging and expressive presentations.

Result: (Best students)

This was a knowledge-sharing event, so all students were appreciated equally for their unique inputs and participation

"Adventure Awaits - Let's Go!"
Club Event - "Mystery of the World"

Dear Students and Parents,
Greetings!
Exploring the wonders of the world helps us connect with diverse cultures, histories, and natural marvels. To celebrate the spirit of discovery and inspire curiosity, the Tourism Club is organizing an engaging event titled "Mystery of the World." This event aims to introduce students to the fascinating stories behind world-famous landmarks and mysterious places across the globe. Students will get an opportunity to research, create, and present their understanding in interactive and imaginative ways.

Activity Details:

- Event Name: Mystery of the World
- Day & Date: Wednesday, 23rd July 2025
- Venue: Tourism Club

Objectives:

- Global Awareness: Understand the significance of world heritage sites and cultural diversity.
- Exploration & Inquiry: Encourage curiosity about historical, geographical, and mysterious destinations.
- Creativity & Expression: Provide a platform for students to creatively present their ideas and research.

Activities of the Day:

- Travel Brochure Making: Design brochures showcasing a famous or mysterious destination with interesting facts.
- Mystery Box Challenge: Solve clues and identify iconic places or landmarks from around the world.
- Poster Presentation: Create and display informative posters on world wonders or hidden gems.

Why You Should Participate:

- Knowledge Enhancement: Learn about the world in a fun and engaging way.
- Interactive Learning: Enjoy hands-on activities that combine creativity, research, and teamwork.
- Global Perspective: Develop an appreciation for different cultures, traditions, and landscapes.

We encourage all students to participate wholeheartedly in this exciting journey across the globe. Let's explore the mysteries of the world and celebrate the wonders that make our planet so unique!

With warm regards,
BPSG

Let the journey of discovery begin!
